TRANSFER OF EMERS TO FORM THE MEDICAL AND DENTAL PART

INTRODUCTION

1. Due to the extremely fast rate of expansion of medical and dental EMERs, the space hitherto provided for these subjects in Sections N, O, and P of the Telecommunications Part has become inadequate.
2. Medical and dental EMERs will now be located in a new EMER Part designated the Medical and Dental Part (Medical and Dental A 002 refers).
3. The transfer and redesignation of medical and dental EMERs from the Telecommunications Part is authorized and detailed in Medical and Dental A 009.

ACTION

4. On receipt of this regulation all holders of Tels EMERs A 000 and A 001 must delete from these indexes all EMERs listed in the N, O and P Sections.
